SUMMARY

Computer Science undergraduate with knowledge of Python, SQL, and core computer science concepts. Familiar with backend development, APIs, and problem-solving through academic projects and internships.

EDUCATION

Manakula Vinayagar Institute of Technology, Puducherry

2022 – 2026

B.Tech in Computer Science and Engineering

CGPA: 8.59

Sri Sankara Vidyalaya Hr. Sec. School, Puducherry

2019 – 2022

SSLC, HSC

SSLC: 84.8%, HSC: 89.5%

SKILLS

Programming Languages: Python

Database: SQL

Tools: VS Code, PyCharm, Git, GitHub, VirtualBox, Docker (basics), MS Word, MS Excel, MS PowerPoint

Frameworks/Technologies: Streamlit, HTML5, GlusterFS, Apache Airflow (basics)

Soft Skills: Analytical Thinking, Team Collaboration, Communication

PROJECTS

Enterprise Data Cleaning & ETL Orchestration Framework

11/2025 – 01/2026

- Developed a Python-based ETL framework that automates data ingestion and transformation while integrating reusable data quality checks and logging to ensure reliable and error-resilient pipelines.

GlusterVault – A Network Distributed Storage System

09/2024 – 11/2024

- Configured a GlusterFS-based storage system across multiple virtual machines, setting up replicated volumes to enhance data availability and fault tolerance.

EXPERIENCE

Data Engineering Intern – Infosys Springboard (Remote)

11/2025 – 01/2026

- Developed modular Python-based ETL components with validation and logging, improving data consistency across multiple ingestion workflows.

AI and Cloud Intern – IBM SkillBuild – Edunet Foundation (Remote)

09/2025 – 10/2025

- Designed and implemented a backend-focused word explanation web application using APIs and Streamlit, integrating external services and handling request-response workflows.

ACHIEVEMENTS

- Selected among the top 10 teams in a Datanerdz.AI design challenge for a responsive spa website (2024).
- Regional Pre-Finalist, ICT Academy Youth Talk – Tamil Nadu (2024).

CERTIFICATIONS

- **Python for Data Science** – NPTEL
- **Database Management System** – NPTEL

LANGUAGES KNOWN

- English, Sourashtra, Tamil, Hindi
